Lecture survey of Fachgruppe Informatik

Dear students,

to improve quality of teaching we request you to fill out this sheet to the beset of your belief. The questions only concern this lecture and it's completely optional to fill out this sheet. Please consider that your data will be stored digitally and anonimously. To ensure anonymity this sheet should not be seen by the lecturer. The results should be presented to the participants by the lecturer.

Thank you for your assistance!
Fachgruppe Informatik Universität Stuttgart

Caution: This sheet is going to be evaluated by Fachgruppe Informatik (FIUS) not by the University of Stuttgart.
